CLASSROOM POSTER · LAUNCHPAD FLIGHT ACADEMY

Think like a flight scientist

EVERY LESSON · EVERY MISSION

LOOK · PREDICT · EXPERIMENT · EXPLAIN

1	2	3	4
LOOK	**PREDICT**	**EXPERIMENT**	**EXPLAIN**
Observe the system before touching a single control.	Commit to a hypothesis before the burn.	Change one variable and watch the live readouts respond.	Connect the evidence you saw to the physics behind it.

Good scientists say: **“I think… because… The data shows… This means…”**
